

Legacy

The word "Legacy" is rendered in a highly decorative, stylized font. Each letter is filled with a white-to-silver gradient and has a thick, double-lined outline. The letters are embellished with intricate, white, scroll-like flourishes and leaf-like patterns. A small five-pointed star is positioned above the second 'g'. The word is set against a dark blue background with a repeating pattern of small, light blue, concentric spiral motifs. Two thin, vertical white lines are positioned behind the text, one to the left of the 'e' and one to the right of the 'g'.
