

Legacy

The word "Legacy" is rendered in a highly decorative, serif font. Each letter is filled with a light, metallic-looking color and has a double-line border. The letters are surrounded by intricate, white, scroll-like flourishes and leaf-like patterns. The background is a dark blue with a repeating pattern of small, light blue spirals. Two vertical lines, resembling strings, run down the page, one on the left and one on the right, passing behind the letters.

- *What does it mean for this to be the “Holy Bible” and how did we get it?*
- *If it is “holy”, what are we to do with it?*
